Inspection Squad, Corp.

Privacy Policy

Our Privacy Policy was last updated on January 01, 2023

This Privacy Policy describes our policies and procedures when you use our service and we collect, use, share, and protect your data. Furthermore, the Privacy Policy describes how to control your data.

Interpretations and Definitions

The words in which the initial letter is capitalized have meanings defined under the following conditions. The following definitions shall have the same meaning regardless of whether they appear in a singular or plural.

Definitions:

For the purposes of this Privacy Policy:

- **Company** – referred to as the Company, We, Us, Our, in this agreement refers to Inspection Squad, LLC.

- **User** – referred to as the Visitor in this agreement refers to any stakeholder that visits Inspectionsquad.com.

- **Data Collection Forms** – refer to electronic forms on Inspectionsquad.com, such as, but not limited to the Contact Us form and which are used to collect information from our users.

Privacy Policy Agreement

What data is collected?

- We are collecting personally identifiable information. We are collecting information related to a user's compliance and conformance needs.

How data is being collected?

- We collect data when our users submit a data collection form via InspectionSquad.com.
- We collect data about our user's business throughout our service delivery effort. For instance, we could collect information related to a user's food service establishment during an Inspection Service.

What are we doing with the data?

- We use users' data to provide users with an understanding of their compliance and conformance needs.
- We use users' data to share our service offerings.
- We use users' data to maintain users' awareness related to their industry and specific compliance and conformance requirement updates.

How do we protect the data?

- We leverage Amazon Web Services to protect the data collected from our users.
- Furthermore, our staff is trained to mitigate threats such as, but not limited to phishing attacks.

How can users control their data?

- Users may send an email to info@inspectionsquad.com to request that their information be deleted from our active directory.
